Minutes agreed from last meeting

Matters arising

1. Ideas about Dojos and House points

- We could just have one reward system
- Class with most dojos will be a loud on the climbing frame
- We could still have houses but use the dojo as house points
- We recommended to keep houses, but use dojos instead of points

2. Mr. Foster's findings

- We talked about pupils respect for school property
- Talked about how we could improve our behaviour - take care for our books; not swinging on chairs, IT equipment
- We discussed ideas for a new Reward system- Instead of staying on the sun you could be moved up to a golden star in Foundation; Classes could all start on 15 mins at the beginning of the week, they will go up and down if they gain or lose golden time. This could be done using plants in a solar system or moving up a sports field.
- Dinner ladies could give out more green cards to earn Dojos
- Some pupils were not wearing school uniform- The school could send a letter home to parents; parents could put old school uniform that is too small in a school uniform bank in school
- Children's movement around school at the end of the day has improved but there is still room for improvement when pupils leave.
- Display boards are to be checked around the school on 12.05.17
