Attendees: AW, MB, HA, EGP, DW, SL, DH, EH MD, JS, MM

Invited did not attend: LA

Report back to School Council members from NQA Healthy Schools Award assessors

- NQA Ladies went around our school and they were very impressed, therefore they sent us a wonderful letter telling us how well we did

Discuss chosen charity event during Health and Fitness Week. (Sponsored event)

- MR Daniels talked about our chosen charity (Demetia) and talked about an event for Health and Fitness week
- The Council agreed that the whole school will be doing a sponsored daily mile to raise money for our charity

Discuss lunchtimes – How are children rewarded for good behaviour during lunchtimes?

Exiting the hall after breakfast club and lunchtimes.

- We talked about what it is like to have dinner in the hall
- The council fed back and said... it was noisy; back chatting the dinner ladies, people going out there seat, people throwing food
- Harry suggested to have more bins for each table; this will stop people getting out of their seat and walking about
- Jasmine also said that the dinner ladies are taking the bins off the tables to quickly and this also causes people to get out of their seats and walk about.
- Mr Daniels talked about new ideas for rewards at lunchtime – stickers; more Dojos for making good choices all week.
- School council suggested that at lunch time and breakfast children should not exit the hall through the back door. Instead KS2 children should use the door by Mrs Thomas room. FP children to use the exit next to boy's toilets.

FOM meeting – What help are we asking for from the Friends of Meandy.

- Harry suggested if any children have grown out of their uniform, and we could make a clothing bank, and once every half term the FOM will donate 1 hour of their time to donate people's uniform

School council suggested that lunch time and breakfast children should not exit the hall through the back door. Instead KS2 children should use the door by Mrs Thomas room. FP children to use the exit next to boy's toilets.

Moving around the school. (Stairwells in particular)

- School council suggested that we should have arrows by these stairs
- No hands up policy
- School council suggested it's a good thing

Behaviour Systems - KS2 and FP

- School council have agreed to present the new behaviour systems in their new class on moving up day

Powerpoint to be presented to Governors June 20th

- School council will make a presentation in our next meeting to show what we have done over the school year. This will be presented to Governors on 20th June

Meeting closed 3.05PM
